

STATEWIDE FIRE PREVENTION COUNCIL

9007

(No. 4, March 1991)

The objective of the California Department of Forestry and Fire Protection's Prevention Council is to coordinate and guide all fire prevention efforts towards accomplishing the program goal outlined in paragraph [9001.1](#).

MEMBERSHIP

9007.1

(No. 4, March 1991)

The Staff Chief of Fire Prevention, Sacramento Headquarters will be the chairperson in charge of the Fire Prevention Council. The following personnel will comprise the remaining membership:

- Fire Prevention Engineering Officer, Sacramento
- Fire Prevention Education Officer, Sacramento
- Fire Prevention Law Enforcement Officer, Sacramento
- Fire Prevention Program Manager, Region 1
- Fire Prevention Program Manager, Region 2
- Fire Prevention Program Manager, Region 3
- Fire Prevention Program Manager, Region 4

COUNCIL ACTIVITIES

9007.2

(No. 4, March 1991)

The council will meet on a quarterly basis with each member in attendance or their designated representative. Each member or designee will serve as the official representative of their respective region chief. Minutes of each meeting will be forwarded to the Deputy Director, Fire Protection, Sacramento Headquarters. The council will:

- Develop statewide standards for consistency of program application.
- Evaluate the effectiveness of existing programs.
- Identify deficiencies and recommend changes.
- Identify problems and recommend corrective action.
- Evaluate workloads and develop recommendations for fire prevention goal.
- Evaluate new proposals that might aid in accomplishing CDF's fire prevention goal.
- Recommend task group assignments and their composition as needed.
